

TERMS AND CONDITION / USER AGREEMENT:

The information contained in this product is not a recommendation for a buy and sell. It is a trading system for the global financial markets. Stocks, Options, Binary options, Forex and Future trading has large potential rewards, but also large potential risk. You must be aware of the risks and be willing to accept them in order to invest in stock, binary options or futures markets. Don't trade with money you can't afford to lose especially with leveraged instruments such as binary options trading, futures trading or forex trading. The past performance of any trading system or methodology is not necessarily indicative of future results. You could lose all of your money fast due to: poor market trading conditions, mechanical error, emotional induced errors, news surprises and earnings releases. **FINTRUST MANAGERS (AI TRADER) takes no responsibility for loss incurred as a result of the use of the automated trading system. By signing up as a member, you acknowledge that we are not providing financial advice and that you are making a decision to use the automated trading system on your own account. We have no knowledge of the level of money you are trading with or the level of risk you are taking with each trade. In this regard, the amounts paid for the use of our Automated trading system can't be refunded.** You must make your own financial decisions; we take no responsibility for money you made or lost as a result of our Automated trading system or advice on forex related products on this website. You should ensure you understand all of the risks associated with trading before using FINTRUST MANAGERS (AI TRADER) automated trading services.

This website and all information is intended for educational purposes only and do not give financial advice. Fintrust Managers (AI Trader) Automated trading system is not a service to provide legal and financial advice; any information provided here is only the personal opinion of the author (not advice or financial advice in any sense, and in the sense of any act, ordinance or law of any country) and must not be used for financial activities. Fintrust Managers (AI Trader) Automated trading system does not offer, operate or provide financial, brokerage, commercial or investment services and is not a financial advisor. Rather, Fintrust Managers (AI Trader) Automated trading system is an educational site and a platform for exchanging Forex information. Whenever information is disclosed, whether express or implied, about profit or revenue, it is not a guarantee. No method or trading system ensures that it will generate a profit, so always remember that trade can lead to a loss. Trading responsibility, whether resulting in profits or losses, is yours and you must agree not to hold Fintrust Managers (AI Trader) Automated trading system or other information providers that are responsible in any way whatsoever. The use of the system means that the user accepts Disclaimer and Terms of Use.

Fintrust Managers (AI TRADER) Automated trading system is not represented as a registered investment consultant or brokerage dealer nor offers to buy or sell any of the financial instruments mentioned in the service offered.

While Fintrust Managers (AI Trader) Automated trading system believes that the content provided is accurate, there are no explicit or implied warranties of accuracy. The information provided is believed to be reliable; Fintrust Managers (AI Trader) Automated trading system does not guarantee the accuracy or completeness of the information provided. Third parties refer to Fintrust Managers (AI Trader) Automated Trading System to provide technology and information if a third party fails, and then there is a risk that the information may be delayed or not delivered at all.

All information and comments contained on this website, including but not limited to, opinions, analyzes, news, prices, research, and generally, do not constitute investment advice or an invitation to buy or sell any type of instrument. Fintrust Managers (AI Trader) Automated trading system assumes no responsibility for any loss or damage that may result, directly or indirectly, from the use or dependence on such information.

All information contained on this website is a personal opinion or belief of the author. None of these data is a recommendation or financial advice in any sense, also within the meaning of any commercial act or law. Writers, publishers, and affiliates of Fintrust Managers (AI Trader) Automated trading system and representatives are not responsible for your trading in any way.

The information and opinions contained in the site are provided for information only and for educational reasons, should never be considered as direct or indirect advice to open a trading account and/or invest money in Forex trading with any Forex company. Fintrust Managers (AI Trader) Automated Trading system assumes no responsibility for any decisions taken by the user to create a merchant account with any of the brokers listed on this website. Anyone who decides to set up a merchant account or use the services, free of charge or paid, to any of the Forex companies mentioned on this website, bears full responsibility for their actions.

Any institution that offers a service and is listed on this website, including forex brokers, financial companies, and other institutions, is present only for informational purposes. All ratings, ratings, banners, reviews, or other information found for any of the above-mentioned institutions are provided in a strictly objective manner and according to the best possible reflection of the materials on the official website of the company.

Forex trading is potentially high risk and may not be suitable for all investors. The high level of leverage can work both for and against merchants. Before each Forex investment, you should carefully consider your goals, past experience and risk level. The opinions and data contained on this site should not be considered as suggestions or advice for the sale or purchase of currency or other instruments. Past results do not show or guarantee future results.

Neither Fintrust Managers (AI Trader) Automated Trading System nor its affiliates ensure the accuracy of the content provided on this Site. You explicitly agree that viewing, visiting, or using this website is at your own risk.
